

The second Plymouth Motor Club Nostalgia Evening.

Held to help celebrate the Plymouth Motor Club centenary year, this fantastic evening took place at the Elfordleigh Hotel and Country Club, approx 70 members from the past and present attended for an evening of memories and friendship. Old scrap books, videos, DVD footage, awards, event literature, displays by current members, and a jolly good finger buffet proved the evening to be once again a roaring success.

Below you will find a selection of pictures of both the old and new faces of Plymouth Motor Club, covering some 50 plus years of the clubs history. Please contact James Ellison for more information or details of how to get copies of said pictures.
