

Marshal's Training

Camel Vale MC are putting on a Marshal's Training Day on March 21st 2010.

I have approached Camel Vale MC, and they have agreed that any of Plymouth MC members who wish to attend, may do so. (This is an opportunity to get your Marshal's Licence signed off)

The venue is still yet to be confirmed, but the training will be given by West Country Rally Rescue, Dr Stuart Hateley and will also include Radio & Fire elements. I have asked that any other information be forwarded to myself, so if any PMC member wishes to attend, could you please register your intention with me on 01752 219739 or e-mail:- <mailto:atomes@btinternet.com>

Thanks,

Alan Tomes,
PMC Secretary
